Sale to be held at

**Marellbar Farms, Libertyville, Illinois**

**Saturday, April 30, 1949**

Due to a serious fire at Curtiss Candy Farms last fall, they will not be able to join us as in former years, but will be with us again next year. We are very pleased to include a consignment from Susanna Farms in this sale.

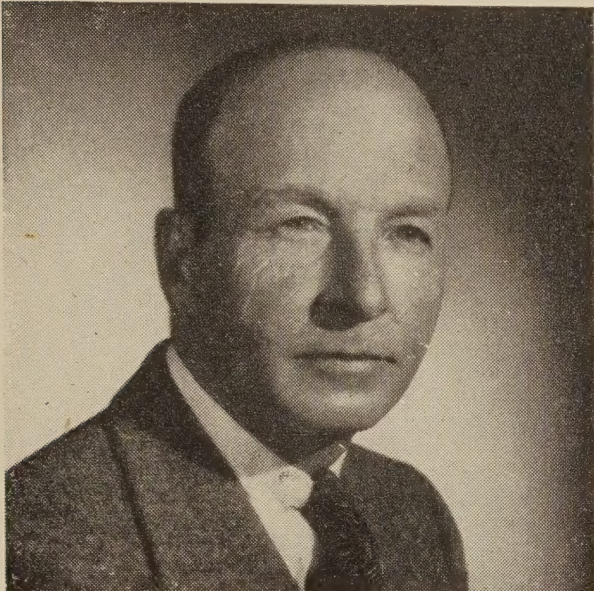

William Bartholomay Jr., owner of MARELLBAR FARMS

# *A Word to Our Buyers and Friends*

It is with great pleasure and pride that we invite you to be our guests at Marellbar Farm again on April 30th.

Our last auction was held on November 30th, 1947. Because it was a very cold, uncomfortable day, we decided to change to a spring date. Our 1949 sale will come at a time when pastures will be green and Marellbar Farms will be a place of beauty. We are happy to be able to put together such an impressive and valuable lot of breeding cattle as you will find in this sale offering. They have been selected carefully with the idea that when you have studied the bloodlines and have seen the cattle,

your desire to own one or more of them will be great.

The entire offering is in the best of breeding condition. All are sound and healthy. The cattle offered are the productive kind. Our breeding herd is in its most productive state since its foundation. We have been most fortunate in having three breeding bulls in succession which have brought the highest honors in showyard achievement and increasing sales to Marellbar Farms.

Klaymor Footprint sired nineteen calves that sold at auction in 1944 for the record average of \$1,995.00. He also sired Marellbar Mandate, an undefeated bull in class and many times champion. In 1947 Marellbar Mandate's first five calves won five firsts, get-of-sire and grand champion female at the International.

In 1948, the get of the Beaufort Bonspiel was either first or second at all the big shows including the International.

Cruggleton Allardice was added to our herd bull battery in February, 1948. We now have several calves by him. They are still young but look very good. There are several of the heifers in calf to him and a few in this offering will have calves before the sale.

I assure you that you will not be disappointed in the cattle to be sold, and I have every confidence that they will make good for you.

JOHN BLUME, Manager.

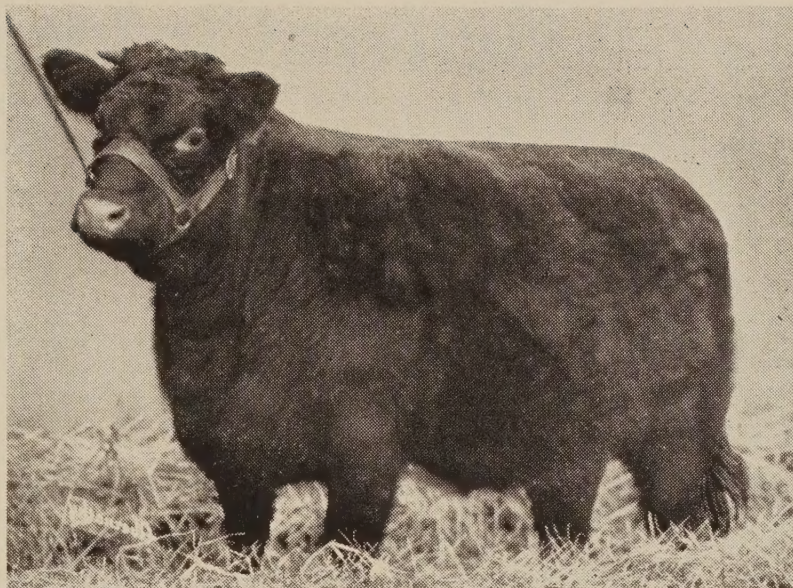

Marellbar Princess 5th 2368298, first prize summer yearling heifer and grand champion of the 1947 International Stock show. Sire, Marellbar Mandate 2224893. Dam, Kildun Princess Royal 30th (Imp.). Typical of the Marellbar kind.

Marellbar Jilt by Marellbar Mandate was first prize senior heifer calf at the 1947 International Live Stock Show, a member of the first prize get-of-sire group and member of the second prize pair of females. She is now in the herd of George Garvin Brown at Prospect, Kentucky.

Marellbar Beauty 2d, junior and reserve champion at the 1948 Toronto Royal Winter Show, grand champion at the 1948 Indiana State Fair, shown with Marellbar Formation, Lot 1 in this catalog. They were first prize pair of calves at the 1947 International, and first prize pair of yearlings at several shows in 1948. Both are by Marellbar Mandate.

Marellbar Jilt 2d, by Beaufort Bonspiel, was first in class at the 1948 Toronto Royal Winter Fair, with Marellbar Beauty 4th, was in the first prize calf herd, and with Marellbar Lady Augusta 3d and Marellbar Beauty 2d, was in the first prize three female class at the same Toronto Show. She and Marellbar Lady Augusta 3d, grand champion at the 1948 Ohio State Fair, were first in both heifer calf classes at Toronto.

The winners of the coveted get of sire class at the 1947 International. All sired by Marellbar Mandate.

Beaufort Bonspiel's calves are really sensational with their exceptionally good heads, wonderful quarters, and low-set bodies. No better investment could be made than in the heifers sired by him or carrying his service. He is extremely low set, with great thick hind-quarters, and wears a good head, which characteristics he is passing on to his calves. He is the sire of Marellbar Lady Augusta 3d, Marellbar Jilt 2d, and Marellbar Beauty 4th. The former was first prize senior heifer calf and grand champion at the 1948

Ohio State Fair, first at the Royal Show at Toronto, second at the International Stock Show, and first and reserve champion at the 1949 Denver National Western. Marellbar Jilt 2d and Marellbar Beauty 4th were the first and second prize junior heifer calves and in the first prize group of three females at the Toronto Royal and, with Marellbar Citation, were in the second prize get-of-sire at the 1948 International. Marellbar Lady Augusta 3d and Marellbar Jilt 2d, were first and second as junior heifer calves at all the prominent shows in 1948.

Marellbar Mandate is just about as near ideal in type as they come. He was a sensational Grand Champion at the 1946 Royal Winter Fair at Toronto, and at the southwestern Exposition at Fort Worth, Texas, in 1947. He was undefeated as a summer yearling, and sired the 1947 International Grand Champion female, the first prize Get-of-Sire group, first prize Senior Heifer calf, first prize Junior Bull calf, and first prize Pair of Calves. He possesses the desired Shorthorn character with impressive depth, thickness and shortness of leg. His width of chest, extremely masculine head, and squarely placed legs, correspond. He has done much to make this offering of Marellbar Farms the most outstanding since the foundation of the herd. He was bred at Marellbar and is carrying on the true Marellbar type. Many of the females in this sale are sired by him or carrying his service.

**Cruggleton Allardice**

Cruggleton Allardice was purchased from Mr. A. J. Marshall, owner of the famous Cruggleton herd, Stranraer, Scotland, in October, 1947. He has developed into a wonderful bull, grand head, lots of bone, great quarters, thick and close to the ground. Certainly no one has imported a bull with a more intensely bred Collynie Royal Leader pedigree. A study of the extended form will reveal several crosses of this most famous bull—both through his sire and his dam. Cruggleton Achilles, one of the good stock bulls at Cruggleton, is out of the same cow as Cruggleton Allardice. Calves by Allardice are still young, but they are looking very good at present. We will have a number of his calves by sale day for your inspection. There are twelve heifers selling which are in calf to him, and a few will calve before the sale.

ern Show at Denver. Also head of 1st prize pair of calves at the same shows, in the winning Get of Sire and in the 1st prize pair of yearlings 1948 Ohio and Indiana State Fairs. We have been using him since January this year. He is tried, and sure, and will make good as a sire.

Marellbar Formation is probably the best bull ever offered for sale at Marellbar and one of the very best bulls to be sold anywhere. His sire has made a wonderful record and his dam is one of the very best daughters of Bapton Battleship. Her sister sold at 1,180 gns. to Mr. Ewell, Ringwell Farms and a brother at 4,000 gns. to the Anderson herd in Scotland. Beaufort Bonspiel, another brother, is making a record as a sire at Marellbar. Marellbar Formation was the 1st prize Junior Calf at the 1947 Toronto Royal and the International, and the 1948 National West-

Imp. Pittodrie Remembrance

Imported Pittodrie Remembrance is a half brother to Pittodrie Upright, the \$63,000 Perth Champion imported by Sni-A-Bar Farms. He was a first prize winner at Perth in 1948 in a class of 30 bulls. Five bulls at the 1946 Perth Sale by Bapton Upright, made the record average of 7,497 pounds (\$30,000). Imp. Pittodrie Remembrance was used heavily in the Lord Lovat herd at Beaufort before being exported to Marellbar last September. A few females included in the sale offering carry his service. He is a bull with tremendous bone and depth of body,

unusual depth of quarters and rear flank, and on very short legs. His breeding is full of champions on both sides. He has everything that it takes to make a great sire.

We had the misfortune of losing her calf last September when it was a week old, but she has done a good job of raising a foster calf, and is safe in calf since November 14th, to Pittodrie Remembrance, by Bapton Upright.

## Formula For

These eight heifer calves are the promise of a future which is fulfilled in mature form in this catalog. Their good width, bone and short legs are co-gifts from their dams and their sires. All will be found listed in this—the best offering ever presented by Marellbar Farms.

One-half the formula for herd success are cows like these which can preserve and improve the superior qualities of outstanding bulls to which they are mated. Calves that effect the great improvement of the herd and of the breed, result from such matings. It costs no more to keep the good ones, and the monetary returns are many times greater when sale day comes. The ones shown at the left are members of the permanent breeding herd at Marellbar.

This junior herd bull was second in class at Perth and is by Glastullich Fortress, sire of the 1947 Perth champion, Glastullich Smasher. He invites you to study these females and visualize the promise of the outstanding calves which will result from this blending of famous blood.
